Dear Students,

This certainly has been quite a winter for everyone and I know many of you are now saddled with a longer school year because of having to take snow days.

We at VanderCook don't want you to fret about perhaps having to miss a day or two of graduate classes if you discover that your school district dismissal date conflicts with our start date of June 15th. Our faculty is willing to work with you to bring you up to speed on any assignments you may miss. You will also not be penalized for any absences due to an extended school year. Please contact me at rhodes@vandercook.edu with your school name and dismissal date and I will inform the faculty of your situation.

We look forward to an invigorating graduate semester and can't wait to have you with us this summer. Keep smiling and have a great semester!

Warm wishes,

Ruth Rhodes
Graduate Dean
