

# HEAR FOR A LIFETIME!

Preserve your ears and play better

Tuesday, Oct 25, 4:30 PM

The annual VCM Lecture by  
Dr. Mead Killion  
VCM Trustee  
professor, scientist, engineer, musician

**Two pairs of ETY-Plugs will be provided  
to each attendee**

(Who better to help spread the word than music teachers  
who have tried them)

“Etymotic products have proven to be an upgrade to my overall music teaching and performance experience. I can hear better and teach more accurately. Hearing protection and conservation are now a very important part of my every day musical life.” **Adam Hill is an Award winning VCM Graduate**

**ADAM HILL**

*Educator and Percussionist*
