## Master of Music Education Track: General Music

**Timeline for program: 2 to 7 years to complete.**

Program Advisor: Robert L. Sinclair, Dean of Graduate Studies

Program Structure:

1. Candidates elect to complete the program of study as a six-week summer residency program (3 weeks online followed by 3 weeks onsite) or using a combination of online courses in the fall, spring and summer, with a minimum of one summer residency during the program of study.
2. With the exception of seminar style or retrospective courses, much of the program coursework, whether required or elective, may be taken through the college's MECA program and platform without restriction with at least 24 credits taken at the 500-level. Inclusion of seminar or retrospective courses will be limited to 4 credits and must be approved by the Dean of Graduate Studies.

### Graduate Core and Major Area

These courses are required of all candidates and are intended to improve the candidate's growth as scholar, educator, and classroom technician. Everyone will take 562 Introduction to Graduate Study, a curriculum elective, and three advanced methods courses. Band, for example, will take 552, 553, and 554. Titles of those courses are listed further down the document under Advanced Methods Courses.
